Following its release in theaters, the film will be available to stream on Paramount Plus. Expect the movie to hit the streamer 45 days after its theatrical run, which should be sometime in April. It's most likely that Paramount Plus will be the main platform that will stream Ant-Man and the Wasp: Quantumania.

Will Ant-Man and the Wasp: Quantumania be on Netflix?

No, Ant-Man and the Wasp: Quantumania will not be available on Netflix — at least not anytime soon, since it will be heading straight to Peacock after its theatrical release. In the meantime, you'll just have to wait for it to become available on the NBCUniversal-owned streaming platform.

Is Ant-Man and the Wasp: Quantumania streaming on HBO Max?

No, Ant-Man and the Wasp: Quantumania will not be on HBO Max since it's not a Warner Bros. movie. While the company previously released its movies on HBO Max and in theaters on the same day, they have since stopped and have implemented a 45-day window between the theatrical release and streaming release.

Is Ant-Man and the Wasp: Quantumania Available Streaming on Paramount Plus?

At the time of writing, there is no official streaming release date for Ant-Man and the Wasp: Quantumania. However, if we look back at the gap between Ant-Man and the Wasp: Quantumania (2022) hitting movie theaters, before becoming available to stream on Paramount Plus, we can make some guesses as to when it will be up for streaming.

Ant-Man and the Wasp: Quantumania (2022) was released on January 14, before arriving on Paramount Plus on March 8. This means there were 53 days between the big screen release, and the streaming release. The film was also available to buy digitally a week before it landed on Paramount Plus, on March 1. With that in mind, we can expect Ant-Man and the Wasp: Quantumania to be available to stream on Paramount Plus around May 2, 2023.

Paramount Pictures has said in the past, however, that most of their films will be available to stream exclusively on Paramount Plus after a 45-day theatrical window. If this is the case for Ant-Man and the Wasp: Quantumania, it may arrive earlier than expected, on or around April 24, 2023.

Is Ant-Man and the Wasp: Quantumania streaming on Prime Video?

Amazon Prime Video subscribers might be disappointed because 'Ant-Man and the Wasp: Quantumania' is not a part of the streaming giant's library. Alternatively, you have the option to turn to similar films using your subscription, including 'Smile,' 'Bram Stoker's Dracula,' 'Let the Right One In.'

The bad news is that the movie is not likely to come to Prime Video. Paramount Pictures movies used to head to Amazon Prime Video about a year after the theatrical release, but that's changed with a lot of movies recently. Instead of heading to Prime Video, they've gone to Paramount+.

Is Ant-Man and the Wasp Quantumania Available On Hulu?

Viewers are saying that they want to view the new movie Ant-Man and the Wasp Quantumania on Hulu. Unfortunately, this is not possible since Hulu currently does not offer any of the free episodes of this series streaming at this time. It will be exclusive to the MTV channel, which you get by subscribing to cable or satellite TV services. You will not be able to watch it on Hulu or any other free streaming service.

Is Ant-Man and the Wasp Quantumania Streaming Online?

Well, not right now. In terms of the streaming release, Ant-Man and the Wasp Quantumania will most likely follow the 45-day theatrical window before being available to stream online. Due to Amazon's multi-billion dollar acquisition of MGM (the franchise's production company), it's most likely that Prime Video will be the main platform that will stream Ant-Man and the Wasp Quantumania VI.

Scott Lang's trip into the Quantum Realm in Ant-Man and the Wasp: Quantumania opens a new era for the MCU, but it also contains various questionable decisions, puzzling moments, and faults in logic. Ant-Man's first two movies are literally and figuratively small-scale stories that established Scott Lang as a humble hero in San Francisco. But after Scott Lang's key role in the Avengers' greatest battles in Captain America: Civil War and Avengers: Endgame, Ant-Man and the Wasp: Quantumania pits Ant-Man and his family against an Avengers-level threat that's way out of their league. Naturally, Ant-Man and the Wasp: Quantumania's psychedelic Quantum Realm setting, powerful main villain, and much stronger sci-fi inspirations require a bigger suspension of disbelief than Ant-Man's previous solo installments. Still, certain parts of the story don't quite make sense from a logical or a character perspective by Ant-Man and the Wasp: Quantumania's ending. Future MCU movies may help make sense of them, but for now, these moments are quite the headscratchers.
